A NOTE ON STAFFING:

EAG staff on hand during any rental is more of a facilities manager/health and safety officer for EAG than a theatrical house manager for our. They are there for insurance purposes: to open up the space, to lock it back up at the end of the night, and to answer questions/troubleshoot as needed during the rental. Our staff will not hang/focus lights, run the light and/or sound boards, set up/break down the chairs in the space, or work the door/box office.... those tasks are all the sole responsibility of the renter. If you would like to hire someone who can help you set up the space or run the boards, we'd be happy to push a job notice out to our members on social media.

A NOTE ON PROMOTIONS/SIGNAGE:

While we are always happy to give a shout out to EAG members' events (both those at Guild Hall and elsewhere) on Facebook, we do not provide any promotional support beyond that for space rentals. It is our policy to promote only EAG events on our website, in our email blasts, and in the bulletin board at the gate.
